

**Safetyscope's course**

**WORKING at HEIGHTS**

has again been approved by owwco

The Director has approved the following continuing education units (CEUs):

Course ID: 11498

Course Title: Working at Heights

CE Value: 0.7

Renewal Date: 31/12/2022

This assessment of CEUs has been approved by the Manager of Certification, Ministry of the Environment, Conservation and Parks who is the appointed Director under O. Reg. 128/04. This email has been processed by the Ontario Water Wastewater Certification Office (OWWCO) under agreement with the Ministry.

The Ministry will recognize the above course(s) for CEU credit and will add the course(s) to the Director Approved course listing.

*Thank you for considering Safetyscope for all your safety training needs (from on-site, to classroom, to online).*
